

## Visitor Guidelines For Tours of the Tunnel System

---

1. All visits and tours of the tunnel system are at the visitor's own risk.
  2. Individuals and groups may only tour the tunnel system in the accompaniment of specially-trained Memorial staff.
  3. All visitors must remain on the specially-marked and secured paths while in the tunnel system. Leaving these paths is prohibited.
  4. Visitors must follow all instructions issued by the tour staff.
  5. In the event of a lighting failure or other disturbance, the tour will be stopped immediately. The tour must leave the tunnel system immediately as a group.
  6. Children under the age of six may only tour the tunnel system in the accompaniment of a parent or guardian. School and youth groups must be accompanied by adequate adult supervision.
  7. Photographs and filming in the tunnel system is not permitted.
  8. Dogs and other animals are not permitted in the tunnel system.
  9. The Memorial assumes no liability for lost or damaged property.
  10. Visitors to the tunnel system must also observe the general visitor guidelines for the Concentration Camp Memorial.
